who do we minister to?

After 190 years of missions activity in Thailand, the reality is only a small percent of the country's 67 million follows Christ today. There is a need to reach out to the Thai in a way they can relate to. The Centre is uniquely positioned to reach the Thai by not only providing a practical and valued service but also offering opportunities to make real and lasting friendships.

The Centre ministers to local students, between the ages of 17 - 24. The majority of these are Buddhist, often trapped in works-based behavior to buy a better future for their afterlives. Many also need healing from the brokenness of families, addictions and destructive lifestyles. The Centre exists to share Christ's love to these students and to see them transformed.

why partner with us?

We understand that your mission is to develop servant leaders for a life of service and ministry to a world in need. We believe you want to provide your students with opportunities to put into practice what they've learned in the classroom. The Centre provides a unique off campus opportunity to outwork the Great Commandment and Great Commission in an integrated and holistic way. We believe that The Centre is a great place to have an intercultural and missions focused internship.

The Centre offers a variety of practical ministry opportunities for interns and long term volunteers to play an active role in impacting young people in Thailand. Partnership with The Centre offers a unique opportunity to be part of how God is moving in Thailand and the Greater Mekong Region.

what do we do?

The Centre reaches out to 40,000 students in the area of Chiang Mai and 30,000 in Korat, offering them a quality and affordable conversational English program. To build a fun community atmosphere, there are events throughout the week, including cooking classes and sports nights. Every year there is also an English camp, which provides an intensive learning experience, as well as further exposure to the gospel. On weekends, The Centre runs outreach projects to orphanages and to the hill tribes north of Chiang Mai.

The Centre is all about creating strong relationships with students and sharing the love of Christ with them. New believers are disciplined in a loving Christian environment and helped to integrate into a local church. These students are also trained to effectively reach out to their own community and nation. To see all of this happen, The Centre partners with international and local churches and ministries.

Short Term Teams Packages for as little as US\$20 per person per day.

how you can get involved!

Your students can be part of reaching the Thai people with the love of Christ. Whether you spend a week, month or year in Thailand, your partnership can have an eternal impact.

1-2 week short term team packages: Your team will get a fully customized missions experience, which includes running the weekly outreach events, helping out with the hill tribe ministry, and experiencing the highlights of Thai culture.

1-6 month mid term team package: During this time, your team will have the opportunity to teach English and develop strong relationships with the students. You will also run the weekly outreach events and help with the hill tribe and orphanage ministries, as well as participate in other ministry opportunities.

Long term missionaries (6 months - 1 year commitment): We are looking for individuals who feel called to use the skills and gifts God has given them to help further His purposes in Thailand. The Centre is a great place to tangibly and practically outwork the Great Commission and Great Commandment through the various activities targeted towards the young adults of Thailand.
